

Accent Side Table, Large

FSC® certified oak wood

Accent Side Table is designed by the Danish architect duo Space Copenhagen and combines a sculptural and handcrafted aesthetic. Following along the same bloodline as the highly successful 2009 Mater High Stool, the Accent table collection consists of four sizes of side tables, a larger oval lounge table and two round dining tables. The various sizes allow for creativity and flexibility in configuration, and creating different atmospheres for both home and public spaces.
