Product Specification

Tom Raffield

Representing the first strong branch that is born from a mighty oak tree, the Tilow Lighting Range allows nature's forms to enhance your interior's personality. A big sister to our Hanter design, the Tilow can suspend a fully exposed bulb, or showcase a selection of our iconic lampshades.

An arc of sustainably sourced oak grows up and out from a solid base, suspending a bulb at perfect height to display boundless light across your space. The Tilow's steam bent design will divide and balance your interior with ease as it illuminates with a warm, welcoming glow. Whether invited into your home as dynamic hallway radiance or to adorn your living space with light, the Tilow extends unique, striking design to your walls.

Take your interior into a new chapter.
