Seya Pendant Small

Seya Pendant

Echoing the shapes formed as the soft light of dawn plays on the morning dew, the Seya Lighting Range's graceful curving form invites a moment of pause. For serenity seeking spaces, the Seya Lighting Range mirrors the calm found at sunrise. Unique at every glimpse, each wooden layer boasts a carefully crafted custom twist, creating a lampshade that is different from all perspectives. The Seya Range is striking as a single lighting design or as a self-curated cluster of water-falling pendants.

Let light play on your space.
