

# Loer and Raya Wall Light Installation Instructions

Option 1

Option 2

Final Step

## **Option 1 – In-line switch and plug.**

**Ensure the electrical supply is turned OFF at the fuse board.**

1. Identify if there are any hidden pipes or electrical cables in the wall to avoid causing damage or risk of electrical shock during installation. Mark the wall where the light needs to be positioned and drill two holes where you have marked (A). Determine the fixing method appropriate to the wall structure and secure the back plate to the wall using the screws provided, concealing the screws with the wooden plugs provided (B). Screw in the light bulb provided and plug the light into the nearest outlet. The light has been designed to work with an E27 **LED** candle shape light bulb, up to a maximum of **9.5 Watts**.
2. See **Final Step**.

## **Option 2 – Hard wired.**

**Only qualified persons should assemble the luminaire. If in doubt, consult a suitably qualified person. Installation MUST be carried out in accordance and compliance with current building regulations.**

**Ensure the electrical supply is turned OFF at the fuse board.**

1. Using the connection box provided, connect the light to the isolated electricity supply (C) (**220-240V AC 50-60Hz**).
2. Attach the light to the wall in same way as detailed for **option 1** and screw in the light bulb provided. The light has been designed to work with an E27 **LED** candle shape light bulb, up to a maximum of **9.5 Watts**.
3. See **Final Step**.

## **Final Step.**

1. Carefully thread the glass sphere (D) over the light bulb and locate onto the brass thread of the bulb holder. Gently tighten the sphere onto the bulb holder securely connecting the two parts. Due to the fragility of the glass sphere diffuser, this step should be carried out with great care to avoid breakage.
2. Turn on the power supply to complete installation.

## **FOR INDOOR USE ONLY**

\*\*\* If any part of the assembly is damaged it must be returned to the seller for repair or replacement\*\*\*

\*\*\* If the external flexible cable or cord of this luminaire is damaged, it shall be exclusively replaced by the manufacturer or his service agent or a similar qualified person in order to avoid a hazard. \*\*\*
