2023

MENU Upholstery Programme

The MENU Upholstery Program is an overview of the textile and leathers available for MENU upholstered furniture. All textile and leather options are available in all colors. You'll find over 100 fabric and leather options, with the most popular configurations available with expedited delivery in our Quick Ship program.

Custom upholstery orders from our MENU Upholstery Program (SPEC) are ready to ship with standard delivery lead times. Our Fixed Combinations listed in this Brand Book are suggested upholsteries selected by our design team, and deliver with standard lead times. We are happy to upholster furniture using customer's own materials (COM) with extended delivery lead times, upon fabric approval. COM products are to be calculated by PCIT if in textile and PCIL if in leather, excluding the price of the fabric.

Please note that the color references in this upholstery programme are only intended as a guide. For further information please see manufacturer websites, or contact your local MENU Sales Representative for samples or further information.
