Damp 48 Heavy Duty mop, Pocket, 40 cm, Grey

Clean medium to heavy messes on smooth floor surfaces with Damp 48. Raised microfibre stripes cut through tough dirt, while fringe collects heavier particles. A sturdy construction combines absorbent viscose with microfibre to lock in moisture to enhance/extent coverage.

Wash the products as soon as possible after use - to reduce the risk that dirt becomes ingrained with stains and odors as result.

First wash should be done at minimum 60 ° C and separately to avoid staining

Wash cloths and mops of various types separately, to avoid contaminating each other with lint.

Pre-rinse in cold water with frequent water change, no added chemicals - in order to remove any chemicals that can have been used for cleaning and may interfere with or cause a negative impact on the fabric at higher temperatures in the washing process

Use Damp
