

# WRAP LOUNGE CHAIR

**NORMAL STUDIO ON THE DESIGN** “Designing the Wrap Lounge Chair, we had the image of a lounge chair with a soft blanket simply draped around its ample silhouette in mind, playing with models and prototypes to find a fluid way of incarnating this idea. We were driven by the idea of creating a snug chair with an enveloping feel and generous proportions that don’t feel chunky. A highly comfortable lounge chair with lots of personality. The striking and soft, upholstered shell sits in a simple and light steel structure, giving it a visual lightness and a compelling contrast. Wrap Lounge Chair is simple, sophisticated and not least, cleverly made.”

## DESCRIPTION

Wrap is a soft lounge chair with a blanket-like textile wrapped around its shell, allowing a deep sense of comfort with a strong sense of character. While its design is guided by the search for ultimate comfort, its generous shape is supported by a light steel frame creating a contrasting image of airy lightness. The draped upholstery is a result of extensive research and development as well as craftsmanship and knowhow. The Wrap Lounge Chair is simple, yet refined, combining a sense of ease with a strong design language.

## MATERIAL

Interior shell made of pressed felt from 100% recycled post-consumer plastic with a steel reinforcement. Wrap Lounge Chair's shell is clad with multiple layers of foam and wadding and finished with textile upholstery. Upholstered in high-quality textiles from Kvadrat and Rohleder. Tube base in powder coated steel with plastic gliders.

## CLEANING & CARE

Textile: For general care we recommend a gentle vacuum cleaning between the seat and armrest or backrest. In case of stains, we generally recommend removing non-greasy stains by carefully dabbing with a lint-free cloth or sponge wrung out in clean warm water. If necessary, clean by dabbing with soapy water made with a little dish soap. Finally, dab the surface with clean water. We highly recommend that you go to kvadrat.dk for further cleaning and maintenance instructions for your chosen textile, as the cleaning methods may vary from one textile to another.

Base: Clean with a moist cloth. If necessary, use a little dish soap on the cloth.
