

AAL 82 SOFT

PRODUCT FACT SHEET

AAL 82 SOFT

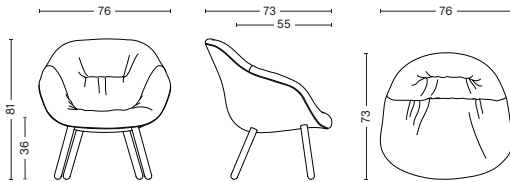

DESIGN BY HEE WELLING & HAY, 2020

The AAL 82 Soft fuses the natural elegance and character of the four-legged wooden base with the softness and warmth of the quilted shell. Retaining the same compact body, shaped armrests, and simple, sculpted design that characterise the rest of the lounge series, this design rests upon four solid, rounded legs. The oak base is available in different finishes and the quilted shell is offered in a variety of upholstery options, providing a multitude of design combinations that give this series versatility in a wide range of corporate, public, and private contexts.

HIGHLIGHTS

- Part of a multi-functional family of dining and conference chairs, office chairs, bar stools, lounge chairs, tables, an ottoman and a sofa.
- Soft quilted upholstery with added wadding in a large selection of fabrics and leathers.
- Variety of textiles and base finishes.
- Other upholstery options are: a soft duo version in selected fabric and leather combinations on front and back or a non-quilted full upholstery in a large selection of fabrics and leathers.
- Other base options are: aluminium base, moulded plywood base and bent steel tube base.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.

DIMENSIONS

WIDTH 76 CM | 29.92"

DEPTH 73 CM | 28.74"

HEIGHT 81 CM | 31.89"

SEAT HEIGHT 36 CM | 14.17"

SEAT WIDTH 55 CM | 21.65"

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise our environmental impact. We optimise the use of sustainable materials such as recycled materials, FSC-certified wood and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability and safety.
