

PALI WINE CO | 2021 ROSE OF PINOT NOIR 'P.C.H.'

ABOUT OUR 'P.C.H.' ROSE OF PINOT NOIR

In 2018 we introduced 'P.C.H.' to showcase select barrels of rosé made from Pinot Noir grown on some of our favorite vineyards on the Central Coast. Today, our 'P.C.H.' is crafted from Pinot Noir grapes grown on Pali Vineyard, our 50-acre vineyard that sits on a gentle southeast facing slope comprising mostly sandy soil, and other premium vineyards on the Central Coast. When made into a rosé, Pinot Noir maintains its light, fruity characteristics and stunning acidity, resulting in a delicious and elegant pink wine. This rosé is made entirely from whole-cluster pressed Pinot Noir. The grapes were picked and gently pressed into a stainless steel tank, and after two days of settling, the juice was racked off its lees into another tank where it began its fermentation. Mid-fermentation, the wine was barreled into 100% neutral French oak barrels that were previously used for red wine aging. We stirred the barrels every day, maintaining fermentation temperature below 68°F, until the wine was bone-dry. P.C.H. was barrel-aged in 100% neutral oak for 90 days before bottled.

WINEMAKER NOTES

A refreshing ocean breeze with lemon, blood orange, and watermelon mingle around beautifully integrated acidity and a lasting burst of strawberry and cherry.

ABOUT PALI WINE CO.

To craft world class, critically acclaimed, site-specific Pinot Noirs and Chardonnays.

Our original Pali brand produces premium Pinot Noir and Chardonnay sourced primarily from vineyards in the Sta. Rita Hills and neighboring wine-growing regions. The region's terroir, including its transverse ranges, limestone rich soils, and cool ocean fog, is ideal for growing Pali's poised Pinot Noir and Chardonnay wine grapes. Pali produces a wide-range of bottlings from entry-level to esoteric vineyard and clonal-specific, from still to sparkling, and from white to pink and red. While most of our grapes come from our Sta. Rita Hills estate 'Pali Vineyard,' Pali partners with a handful of other family-owned and world-renowned vineyards in the area among the likes of Fiddlestix, Rancho La Viña, and Bien Nacido Vineyards. Most recently, Pali has introduced its 'Wild Series,' natural wines made using only wild, naturally occurring yeasts that remain unfined and unfiltered.
