Rhône Style Red Wine Blend

'Jetty' N° 2019

About Jetty : Jetty is a powerful blend of red grape varieties inspired by the Rhône region in France. Grenache and Syrah are the main grape varieties used, with Grenache providing a full-bodied richness bursting with fruity flavors of strawberry, raspberry, and cherry, as well as a spicy kick and elevated alcohol content. Syrah adds to the wine's power with its dark fruit flavors of blackberry and blueberry, complemented by savory notes of black pepper and smoked meat, and contributing tannins, color, and body to the blend.

In addition to Grenache and Syrah, our 2019 vintage of Jetty also features Cinsaut and Carignan. Cinsaut adds a bright and lively flavor profile with notes of red fruit, florals, and spice, contributing a lighter body and lower tannins to balance the blend. Carignan is renowned for its high acidity and tannins, contributing to the wine's structure and balance, along with a deeper color and pronounced tannins.

Our 2019 Jetty blend is composed of 60% Grenache, 20% Syrah, 10% Carignan, and 5% Cinsaut, resulting in a well-rounded and balanced flavor profile.

Tasting Notes : Jetty boasts a deep ruby color with aromatic notes of ripe blackberry, raspberry, and cherry, and hints of black pepper and smoked meat. On the palate, the wine is bold and full-bodied, with flavors of dark fruit, spice, and a pronounced tannin structure. Grenache contributes a richness and elevated alcohol content, while Syrah offers depth and body. Cinsaut and Carignan add lively flavors and balance to the blend, resulting in a well-rounded and harmonious wine.
