

TOWER 15 WINERY | 2017 PINOT GRIGIO ‘RESERVE’

ABOUT OUR RESERVE PINOT GRIGIO

Our Tower 15, 2017 Reserve Pinot Grigio was fermented and barrel-aged in neutral French oak, which provides a touch of richness without the oaky flavors. The grapes for this premium, limited-quantity vintage are grown at Sierra Madre Vineyard, located on the western edge of the Santa Maria Valley AVA only 15 miles from the ocean. Best served chilled! The fruit from this cool-climate vineyard benefits from the wind and fog off the Pacific Ocean with low yields and concentrated fruits, resulting in a wine that is crisp and fresh. Made in limited quantities, this reserve wine was fermented and barrel-aged in neutral French oak, which provides a touch of richness without the oaky flavors.
