

ROSELLA MIRROR

Product Specification

Tom Raffield

With origins rooted in the sculptural tree canopies surrounding our Cornish design studio, our collection of steam bent, ash wood storage and accessories celebrates the strength, versatility, and unique character of this sustainable natural material, whilst showcasing forward-thinking design at its very best.

Boasting confident curves, the Rosella Table Mirror is a portable piece that adds charm to any space. This stunning tabletop accessory features a tilting round mirror that can be angled to perfectly suit your needs, carefully nestled within a steam bent hoop of sustainably sourced ash. This wooden table mirror is a functional work of art, whether adorning dressing tables, refreshing bathrooms, or for last minute checks in hardworking hallways.

Signature in style, timeless by nature.

Finish	Finished with a blend of natural wax oils to give a protective, hardwearing and beautiful finish.					
Care information	<ul style="list-style-type: none"> Finish: The blend of natural oils can take up to four weeks to harden fully. Because of this, particular care should be taken in the first few weeks after delivery before cleaning, see below. Care: Solid wood may expand and shrink with differences in temperature and humidity so take care not to place your furniture directly next to anywhere with excessive changes in temperature such as radiators and windows. Cleaning: To clean on a regular basis wipe the surface with a damp cloth before removing any moisture with a dry cloth. Wipe off anything that will stain straight away, eg red wine, balsamic vinegar, oil, tea, coffee, alcohol, etc. In the event of severe spillages and stains the surface can be lightly re-sanded and re-oiled - please talk to us or a professional furniture restorer before doing so.
