Kyru Vase Medium

Summon nature inside, transform your space. Where traditional craftsmanship and innovative design fuse, The Green Range breathes new life. Showcasing sleek simplicity whilst admiring nature, our Japandi inspired vase collection has the perfect vessel for your hand-picked stems.

Minimalism thrives through the Kyru Vases. This tactile, hand-glazed earthenware vase, which is swathed in our signature matte outer glaze, nestles effortlessly into a bespoke, sustainably sourced, ash wood base. Brightening up any interior, the contemporary, curving form plays perfect host to fresh blooms or dried flowers. Sitting proudly upon mantelpieces, tabletops, or shelves the Kyru Vases are a striking centrepiece that suit a multitude of spaces.

The Kyru Vase is available in three sizes and a trio set.

Product Type : Accessories	SKU	Wood types	Dimensions L x W x H (mm)		Weight (kg)

Materials	<div><div>Ash</div><div>Earthenware</div></div>					
Finish	Finished with a blend of natural wax oils to give a protective, hardwearing and beautiful finish.					
Care information	<ul style="list-style-type: none">Finish: The blend of natural oils can take up to four weeks to harden fully. Because of this, particular care should be taken in the first few weeks after delivery before cleaning, see below.Care: Solid wood may expand and shrink with differences in temperature and humidity so take care not to place your furniture directly next to anywhere with excessive changes in temperature such as radiators and windows.Cleaning: To clean on a regular basis wipe the surface with a damp cloth before removing any moisture with a dry cloth. Wipe off anything that will stain straight away, eg red wine, balsamic vinegar, oil, tea, coffee, alcohol, etc. In the event of severe spillages and stains the surface can be lightly re-sanded and re-oiled – please talk to us or a professional furniture restorer before doing so.

CANDLES

Product Specification

Tom Raffield

Capture nature’s essence. Carefully curated to infuse your surroundings with the scent and serenity of the natural world, our range of sustainable, luxury candles will provide a clean, even burn for a long-lasting, enchanting fragrance.

Presented in a beautiful, bespoke gift box made from sustainable materials, proudly flourished with a TR emboss, this luxurious scented candle is the perfect feel-good gift for a loved one, or yourself. Made using a natural rapeseed blend and available in three scents – the warmth of Embers, the refreshing serenity of Wild Gorse or the soothing embrace of Moss to surround your space with the natural aromas of Cornwall.

Once you’ve enjoyed the aroma, the sleek ceramic vessel can be repurposed as a handy homeware accessory – whether doubling as a cherished trinket dish, or an indoor plant pot, the pretty hand-glazed container offers an array of uses.

Awaken your senses with our Tom Raffield Candle Range.

Product Type : Accessories	SKU	Colour	Dimensions L x W x H (mm)		Weight (kg)	
			Unboxed	Boxed	Unboxed	Boxed
Wild Gorse	TR-CNDL-GORSE	Wild Gorse	Ø120 x 90	240 x 240 x 165	1.05	1.6

Moss	TR-CNDL-MOSS	Moss				
Materials	Earthenware	Rapeseed Blend				
Finish	Responsibly sourced, 100% natural, biodegradable rapeseed blend wax. Glazed ceramic earthenware pot.					
Care information	<ul style="list-style-type: none">Guidelines for use: For best results we recommend burning the candle for three to four hours at a time. Never move the candle whilst lit or before the wax has hardened. Keep the wick trimmed to approximately 10 mm and remove wick trimmings, match stubs and any other foreign objects from the candle. Discard when 10 mm of wax remains. There may be bubbles or variations in colour or texture in the finish of the candle – this can occur during the curing process of the natural wax used in our candles and is perfectly normal.Important safety information: Never leave a burning candle unattended and keep out of reach of children and pets. Always place the candle on appropriate heat resistant base or holder on a flat stable surface, away from draughts and flammable objects.
