

FLUTE

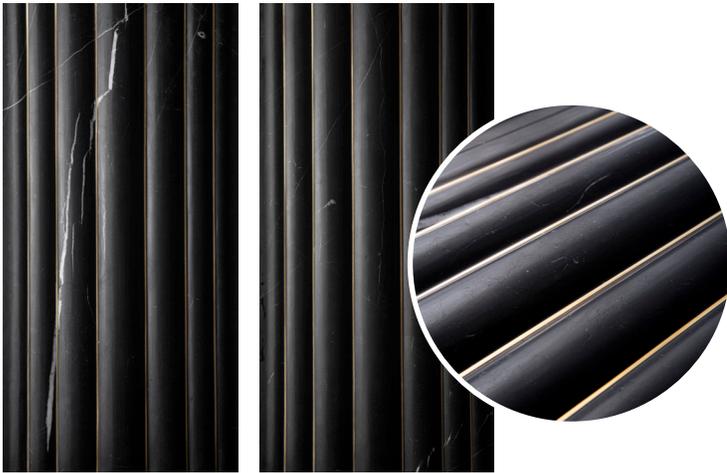

Flute draws its form from the channels cut vertically into classical stone (fluted) columns, but inverted: waves undulate out from the center of each tile, flowing from one to the next. The effect is smooth, dimensional, and architectural. Stocked in honed Lilac and as Flute Deco - a high honed China Black marble tile with inlaid lines of brass.

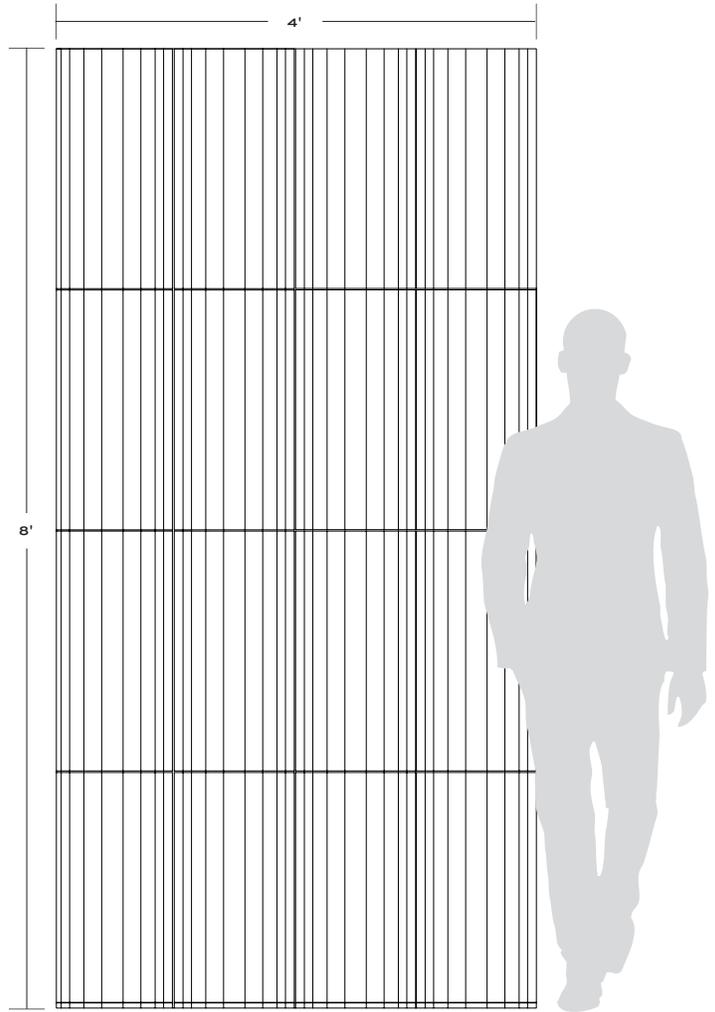

FLUTE

Lilac¹ - Honed

Flute Deco Nero² - Honed w/
Brass Brushed Lines

APPLICATIONS
