

THE LAUREN LIESS POTTERS SERIES

These essential ceramic tiles are designed to look like vintage, chipped tiles that you might see in a historical home. Lauren's love of timeless spaces inspired tiles that feel like they have existed for years rather than sterile and brand new. Classic tones like white and black are given a touch of warmth where the tile body shows through the chipped edges.

ARCHITECTURAL CERAMICS 

4" x 4" Forge

4" x 4" White Stoneware

3" x 6" Earth

2" x 6" White Enamel
