Lead times for specialty & non-stocked items will vary depending on product ordered, quantity, and destination. Please contact ACI to determine the lead time to order samples and material.

## DESCRIPTION

Lane is a wood-look porcelain tile designed to look like real wood. Available in a variety of colors to match Mahogany, Birch, Walnut, or Rosewood.

## INSTALLATION & MAINTENANCE

Lane may be installed using standard ceramic tile installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architectural Ceramics sales representative will advise you on general installation questions.
