Lead times for specialty & non-stocked items varies depending on product ordered, quantity, and destination. Please contact Architessa to determine the lead time to order samples and material.

DESCRIPTION

GEOFORM is a 3-dimensional collection that allows for numerous patterns due to its unique shape.

INSTALLATION & MAINTENANCE

GEOFORM may be installed using standard ceramic installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architessa sales representative will advise you on general installation questions.
