G=Glossy finish, *Stocked Sizes

Italicized items are special order with extended lead times. Please consult an Architessa sales rep for sample & product availability.

Lead times for specialty & non-stocked items varies depending on product ordered, quantity, and destination. Please contact ACI to determine the lead time to order samples and material.

DESCRIPTION

The charming old outdoor factory glazing comes indoors. With a coat of paint on top. Tinted glazing. Suburban and metropolitan spirit. The non-stop work of time. Force of material. Pluralism of shapes. Different textures together for some very special effects. White, Grey, Black, Tone on tone. Crazing metal. Two structures: Classical and with smaller glazing.

INSTALLATION & MAINTENANCE

Diesel Ribbed may be installed using standard ceramic tile installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architessa sales representative will advise you on general installation questions.
