Lead times for specialty & non-stocked items varies depending on product ordered, quantity, and destination. Please contact ACI to determine the lead time to order samples and material.

DESCRIPTION

Prime is a ceramic wall tile collection that unites creativity and tradition. This line features many pieces, from trims to floor and decorative pieces.

INSTALLATION & MAINTENANCE

Prime may be installed using standard ceramic tile installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architectural Ceramics sales representative will advise you on general installation questions.
