RECOMMENDED USE

Charme is recommended for indoor floors, walls, countertops, and outdoor walls in commercial and residential application. The use of Charme is not recommended for outdoor application or horizontal exterior surfaces. Landmark recommends an offset no greater than 30%, if a staggered pattern is required for tiles of 20" inches or longer.

CARE AND MAINTENANCE

Do not apply any wax or sealer to the product after installation. Regular cleaning is the best way to keep Charme tiles looking good. Use clean, hot water (add household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth to prevent water spots. Please visit lcsa.com. For further information regarding the care and maintenance of Landmark products.

WARRANTY

Landmark guarantees that its products will meet or exceed the performance specifications set out in ANSI A137.1- 2012 and in the performance specifications section of the Landmark general catalog. For more information, please visit our website at lcsa.com.
