DESCRIPTION

ENIGMA LEGNO offers different types of wood, all of sophisticated design. Intense and substantial varnished saw cut wood created in two decisive and opposing colors: Total white and Total Black, ideal for all lovers of block colors and tactile surfaces. Added to these are the walnut and oak wooden planks with waxed finish, offered with smooth and saw-cut surfaces. Two proposals that create elegance and refinement in any room.

INSTALLATION & MAINTENANCE

ENIGMA LEGNO may be installed using standard porcelain installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architessa sales representative will advise you on general installation questions.
