DESCRIPTION

Adele is inspired by the traditional hydraulic floor, also known as cement tiles. The Adele Collection is the perfect accent to any space. Its pattern brings color and design that merges the classic and modern looks, while enhancing any project with its decorative accents

INSTALLATION & MAINTENANCE

Adele may be installed using standard glass tile installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architectural Ceramics sales representative will advise you on general installation questions. The manufacturer of this product recommends a 2mm grout joint.
