Italicized items are special order from Italy with extended lead times. Please consult an ACI sales rep for sample & product availability.

Additional trim available. Please contact your sales representative

Lead times for specialty & non-stocked items varies depending on product ordered, quantity, and destination. Please contact ACI to determine the lead time to order samples and material.

DESCRIPTION

Enigma Lavagna is a slate offered in deep black (Nero) color typical of when the sedimentary rock is extracted, and in two trendy colors; grigio and avorio. Slate, in all its sizes, reveals its nature as a ductile stone ideal for wall tiles in spaces with great architectural character.

INSTALLATION & MAINTENANCE

Enigma Lavagna may be installed using standard ceramic tile installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architectural Ceramics sales representative will advise you on general installation questions.
