Mosaic Thickness is 1/4"

Lead times for specialty & non-stocked items varies depending on product ordered, quantity, and destination. Please contact ACI to determine the lead time to order samples and material.

## DESCRIPTION

Coastal Grey is a cool grey honed limestone. This material has quartz veins running against the grains of the material. If you're looking for the perfect grey stone, this is it!

## INSTALLATION & MAINTENANCE

Coastal Grey may be installed using standard natural stone installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architectural Ceramics sales representative will advise you on general installation questions.
