## DESCRIPTION

Structured, corroded, dented, dulled metal - the Boss finish is very distinctive, recalling the anti-slip finishes of stage construction materials and the flight cases used to transport musical instruments, and is for use with a revolutionary new style.

## INSTALLATION & MAINTENANCE

DIESEL STAGE may be installed using standard ceramic installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architessa sales representative will advise you on general installation questions. The manufacturer of this product recommends a 2mm grout joint.
