Italicized items are special order from Italy with extended lead times. Please consult an ACI sales rep for sample & product availability.

Lead times for specialty & non-stocked items will vary depending on product ordered, quantity, and destination. Please contact ACI to determine the lead time to order samples and material.

DESCRIPTION

Brickworks porcelain pays homage to the distinctive signs of hand-forging brick that creates variations and marks left by hand-crafting and firing of the clay.

INSTALLATION & MAINTENANCE

Brickworks may be installed using standard ceramic tile installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architectural Ceramics sales representative will advise you on general installation questions.
