Lead times for specialty & non-stocked items varies depending on product ordered, quantity, and destination. Please contact ACI to determine the lead time to order samples and material.

DESCRIPTION

A striking emulation of authentic Greek stone, this new porcelain tile collection captures the dramatic natural beauty of the Greek Islands. Bold graphics are balanced with soft, rich colors in a palette that reflects current trends but echoes timeless traditions.

INSTALLATION & MAINTENANCE

Greek Stone may be installed using standard ceramic tile installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architectural Ceramics sales representative will advise you on general installation questions.
