

MAGNIFICA

DELIGHTFULLY CLASSY

 **LANDMARK**
CERAMICS

Precious is a gathering of porcelain tile collections that interpret precious and elegant materials. Prestigious, pure, enchanting, the surface meets contemporary and classic architectures exalting their style and elegance. The decorative power of the graphics and colors ensures impressive results for breathtaking projects.

A new **landmark** in the ceramic industry

Landmark Ceramics is an American company, based in Tennessee that has set out to research, manufacture and sell top quality porcelain ceramics in North America, taking advantage of the proven experience of the Gruppo Concorde, an international leader in the sector. Technological innovation, market presence, attention to detail, the welfare of people and the environment, efficient service and a thorough product range make Landmark a new benchmark in the North American market for those who are looking for a reliable partner for any building and architecture project using US Made top quality porcelain tiles.

The background of the right side of the page is a close-up photograph of a light-colored, textured porcelain tile with a natural, veined pattern, characteristic of travertine. The texture is slightly uneven and organic.

MAGNIFICA

DELIGHTFULLY CLASSY

Magnifica is a selection of sought-after Travertini crosscut tiles in top-quality porcelain ceramics able to create a direct connection to contemporary architecture. The naturalness of each slab is highlighted by the slight three-dimensional structure and the graphic details that, when used for decorating, leave a trace of indelible style in the space.

LEARN MORE ABOUT

ELEGANCE NEEDS WIDE SPACES

Magnifica is an item of furniture that meets the needs of contemporary environments to express value, rigor and extreme elegance. The soft natural finish, bright and regal honed surface give the rooms a special exquisiteness of materials for architecture.

FINE HABITS

The multi-chrome color range collects details and hues from nature in every slab, to create polychromatic plays of color on floors and walls.

CHARM MEETS WELLNESS

The preciousness and the refinement of surfaces so typical of classic Travertines' delicate charm reinforce feelings of well-being and relaxation, for residential environments that combine luxury and design. The honed finish illuminates the atmosphere with its elegant splendor.

THE SCENT OF BEAUTY

Light enhances the aesthetic power of the surface, caressing the color details and the preciousness of the material is inspirational.

MAGNIFICA

COLORED BODY PORCELAIN TILE - Rectified Monocaliber

FEATURES AND BENEFITS

FADING RESISTANT
stable chromatically over time

DOESN'T BEND
hard and compact

ECO-FRIENDLY AND SAFE

PET FRIENDLY
dog and cat nails proof

RESISTANT TO FROST
snow and ice proof

FLOOR HEAT FRIENDLY

RESISTANT TO ACID

EASY TO KEEP CLEAN

VOC FREE

NO VOC
volatile organic compound

WATER PROOF
doesn't absorb

FIRE PROOF
doesn't burn or smoke

The colour of tiles printed in this catalogue may differ from actual tiles. Tile color reproductions in this catalogue are representative only. Slight tone and shade variations are inherent in porcelain tiles. Before selecting a colour, we recommend that you contact your local representative, who will provide you with a sample piece of the requested tile.

This porcelain tile product is manufactured with a V2 shade variation. Remember that the amount of colour as well as the texture of each piece may vary from tile to tile. Inspect the product immediately upon delivery and select tiles from many boxes during installation to minimize and blend any possible colour difference.

INFORMATION

RECOMMENDED USE

Magnifica is recommended for indoor floors, walls, countertops, and outdoor walls in commercial and residential application. The use of Magnifica is not recommended for outdoor application or horizontal exterior surfaces. Landmark recommends an offset no greater than 30%. If a staggered pattern is required for tiles of 20" inches or longer. We do recommend not using the honed finish for wet areas where deposits of water are likely to occur. Visit lcusa.com for detailed instructions of installation.

CARE AND MAINTENANCE

Do not apply any wax or sealer to the product after installation. Before grouting ensure that you apply a grout release when using honed finish. Regular cleaning is the best way to keep Magnifica tiles looking good. Use clean, hot water (add household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth to prevent water spots. Please visit lcusa.com. For further information regarding the care and maintenance of Landmark products.

WARRANTY

Landmark guarantees that its products will meet or exceed the performance specifications set out in ANSI A137.1- 2012 and in the performance specifications section of the Landmark general catalogue. For more information, please visit our website at lcusa.com.

TILE PERFORMANCE DATA

PHYSICAL PROPERTIES	TEST ASTM	NORTH AMERICAN STANDARD A137.1*	RESULTS FOR MATT FINISH ONLY
 Water absorption *	C373	≤ 0.5%	COMPLY WITH ANSI A137.1
 DCOF Average dynamic coefficient of friction **	BOT 3000 test	≥ 0.42	≥ 0.42
 Resistance to freeze/thaw cycling *	C1026	As reported	RESISTANT
 Warpage (edge)	C485	Warpage ± 0.4% or ± 0.05 in	COMPLY WITH ANSI A137.1
 Warpage (diagonal)	C485	Warpage ± 0.4% or ± 0.07 in	COMPLY WITH ANSI A137.1
 Wedging	C502	± 0.25% or ± 0.03 in	COMPLY WITH ANSI A137.1
 Chemical resistance	C650	As reported	UNAFFECTED
 Breaking strength	C648	250 lbf or greater	COMPLY WITH ANSI A137.1
 Thickness	C499	Range: 0.04 in	COMPLY WITH ANSI A137.1

* Average values referred to our production and related to the matt finish of the product.

** As far as values relating to the matt finish of the product and to tests carried out by certified external laboratories whose results are available upon request at Headoffice, we are willing to check the lot you are interested in purchasing.

- Be sure to use tiles belonging to the same caliber.
- Test results are available on request.
- Landmark tiles can be slippery when wet. We recommend to make sure that the surface is always dry.
- The information provided can be subject to change. Please refer to lcusa.com for the latest, most accurate and up-to-date information.
