DESCRIPTION

The Van Gogh collection is a set of five brushed stones from Turkey. There are four marbles and one travertine with an offering of many earthly hues of beige, brown, grey, gold, and white. This collection is fantastic for a foyer or bathroom.

INSTALLATION & MAINTENANCE

Van Gogh may be installed using standard natural stone installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architectural Ceramics sales representative will advise you on general installation questions.
