Lead times for specialty & non-stocked items varies depending on product ordered, quantity, and destination. Please contact Architessa to determine the lead time to order samples and material.

DESCRIPTION

Diesel City Lights encompasses a contemporary, urban and eclectic visual gradation inspired by a bustling city skyline. A lively color palette generates scenic 3D walls, evoking the splendor of a city's environment. City Lights tile is available in a 25x75 and 10x30 size fit for fascinating wall installations.

INSTALLATION & MAINTENANCE

Diesel City Lights may be installed using standard ceramic installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architessa sales representative will advise you on general installation questions.
