Lead times for specialty & non-stocked items varies depending on product ordered, quantity, and destination. Please contact ACI to determine the lead time to order samples and material.

DESCRIPTION

Striate features the rich veining, coloration and graphics of Blue Macauba without compromise -- it is available in two distinct color palettes, Azul and Marron. Manufactured in the popular 12" x 24" format, Striate is the perfect choice for residential and commercial floors, walls, bathrooms and decorative features where style and design is at a premium.

INSTALLATION & MAINTENANCE

Striate may be installed using standard porcelain installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architectural Ceramics sales representative will advise you on general installation questions.
