Lead times for specialty & non-stocked items varies depending on product ordered, quantity, and destination. Please contact ACI to determine the lead time to order samples and material.

## DESCRIPTION

Take the standard subway tile to the next level. Revive ceramic tiles will brighten up any space with a selection of 15 colors.

## INSTALLATION & MAINTENANCE

Revive may be installed using standard ceramic installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architectural Ceramics sales representative will advise you on general installation questions.
