Lead times for specialty & non-stocked items varies depending on product ordered, quantity, and destination. Please contact ACI to determine the lead time to order samples and material.

DESCRIPTION

PIETTA DONOVAN CEMENT tiles feature the collection's signature '70s-inspired patterns and distinct colorways, each tile adorned in kaleidoscopic shapes, sharp lines and rounded corners. Though these tiles are multifunctional and can be used both inside and outside, they are ideal for installations where the playfulness and flexibility of each tile's pattern can truly come to life on a grand scale.

INSTALLATION & MAINTENANCE

PIETTA DONOVAN CEMENT may be installed using standard ceramic installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architessa sales representative will advise you on general installation questions.

TECHNICAL INFORMATION

TYPE: CEMENT
 ORIGIN: MEXICO
 EDGE: NATURAL
 THICKNESS: 1/2"
 LOOK: ENCAUSTIC
 SHADE VARIATION: V1 - UNIFORM
 TRAFFIC RATING: COMMERCIAL

DCOF: N/A
 BREAKING STRENGTH: N/A
 WATER ABSORPTION: >5%
 STAIN RESISTANCE: NO - REQUIRIES SEALING
 FROST RESISTANCE: YES
 ENVIRONMENT: N/A
