Lead times for specialty & non-stocked items varies depending on product ordered, quantity, and destination. Please contact Architessa to determine the lead time to order samples and material.

DESCRIPTION

Dolamites is a glazed porcelain tile collection that replicates the natural veining in white marble. Offered in field and mosaic tiles with a matching bullnose, Dolomite is a durable and contemporary option for floors and walls.

INSTALLATION & MAINTENANCE

Dolomites may be installed using standard porcelain installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architessa sales representative will advise you on general installation questions.
