## DESCRIPTION

Our NORCROSS collection is a combination of glazed porcelain floor tiles and high glazed ceramic wall tiles inspired by modern textiles that influence fashion on runways from New York to Milan. When installed, this unique and fine-tuned graphic mix creates layouts with nearly limitless color combinations for any residential or commercial project.

## INSTALLATION & MAINTENANCE

NORCROSS may be installed using standard porcelain and ceramic installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architessa sales representative will advise you on general installation questions.
