Italicized items are special order from Italy with extended lead times. Please consult an ACI sales rep for sample & product availability.

Additional trim available. Please contact your sales rep.

Lead times for specialty & non-stocked items varies depending on product ordered, quantity, and destination. Please contact ACI to determine the lead time to order samples and material.

DESCRIPTION

The Square Remix collection offers the classic 8x8 cement tile with the characteristic concave dipped structure, renewed in modern style, focusing on the naturalness and simplicity of the material. Four trendy colors combine perfectly with the set of 9 square tiles (“marmette”) decorated with geometric designs and with harmonious and balanced colors.

INSTALLATION & MAINTENANCE

Square Remix may be installed using standard ceramic tile installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architectural Ceramics sales representative will advise you on general installation questions.
