Lead times for specialty & non-stocked items varies depending on product ordered, quantity, and destination. Please contact Architessa to determine the lead time to order samples and material.

DESCRIPTION

CHABLIS PICKET is a white marble with primarily grey and gold veining similar to authentic Italian Calacatta Gold. This marble is treasured for the same hues as Calacatta Gold without the bold veining.

INSTALLATION & MAINTENANCE

CHABLIS PICKET may be installed using standard natural stone installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architessa sales representative will advise you on general installation questions.
