

Environmental Product Declaration

Pon Ø45, 1290

Design story of the product

Pon is a series of solid oak side tables designed by Jasper Morrison in 2016. The compact shape and variety of height options allow for a flexible and adaptable space. It's equally appealing as a side table, ideal for a laptop or tablet, a book or magazine, and a drink or a snack. Use it as a stand-alone beside a lounge chair or grouped together in a sofa setup.

Company description

Encouraging customers to buy fewer but better products has been at the core of Fredericia's company ethics, ever since we began in 1911. With the ultimate goal of creating furniture that becomes more beautiful with age, intended to be passed down from one generation to the next. These core values are rooted in our sense of responsibility, seen in our use of natural materials, our ethical methods of production and our respect for the people using our furniture every day.

Supplier support

At Fredericia Furniture, we have established partnerships with selected supplier to collaborate in the matter of minimizing the environmental impact of our products. Through our ongoing implementation of a Sustainable supplier selection and Code of Conduct, we ensure that our suppliers meet our conditions regard to human rights and environmental standards among other things.

Design for environment criteria

In the phase of developing new products or re-engineering existing products Fredericia Furniture follows the below listed principles:

- Timeless design
- Long material lifetime
- Crafted to last
- Easing disassembly of products to increase circularity and ease repair of broken parts
- Increase the use of recycled materials
