SPINNING TOP MIRROR

The Spinning Top Mirror is made from Capri Beize marble and mirror. The product is handmade, small differences in shape and material may occur.

Please do not use any chemicals to clean the marble. Use only warm soap water and dry immediately with a soft cloth. Never use dusting sprays or abrasive cleaners on marble. To refresh the stone's luster, we recommend to use marble polish.

Be aware that sharp objects may damage the surface of the mirror or scratch the steel frame.

Arrange the product carefully in order to prevent it from stracting. Place the product on a level and even surface.
