MADE IN GERMANY

QUICKLY

THE NEW QUICKLY COLD WATER HIGH-PRESSURE CLEANER

PROFESSIONAL-QUALITY HIGH-PRESSURE CLEANER FOR HOME USE

ALL-ROUND PACKAGE FOR HOME USE

The new Quickly has been specially designed for use at home and delivers impressive results in terms of cleaning performance and quality. With an operating pressure of 130 bar even heavy dirt around the house and garden can be removed in a short time. The intuitive D10 plug-in system and the round cleaner UFO included in the scope of delivery are other advantages of the Quickly.

ACCESSORIES STORAGE

for convenient stowage of the accessories and the power cable

PRACTICAL HOSE HOLDER

for tidy storage of the high-pressure hose

INCLUDING FLOOR CLEANER ROUND CLEANER UFO

for simple and efficient cleaning of driveways, terraces and co

TRAY FOR WORK BREAKS

clever holder for the high-pressure gun during work breaks

ALL-TERRAIN CHASSIS

Large wheels and robust chassis for easy transport and high stability

TOTALSTOP-SYSTEM

switches off the pump if the high-pressure gun is not operated during work breaks

ORGANISATION SYSTEM

With the well thought-out organisation system of the Quickly, the search for accessories or disturbing hoses and cables are no longer a problem. Practical holders for the power cable, the cleaning lances and the high-pressure hose always keep them neatly in place.

HIGH-QUALITY COMPONENTS FOR COMFORTABLE WORK AND THE BEST CLEANING RESULTS

PROVEN AND LASTING KRÄNZLE QUALITY

HIGH-PRESSURE PUMP

The high-quality pump head made of forged special brass is the centrepiece of the Quickly and, thanks to its low-wear components, guarantees a long service life and therefore reliable cleaning results.

QUICK RELEASE PLUG-IN SYSTEM

Intelligent and reliable: The quick-change system with hardened stainless steel components ensures that accessories can be changed quickly at any time for almost continuous operation.

CHASSIS SUITABLE FOR STAIRS

The chassis with big wheels is suitable for the use on stairs and enables a quick and comfortable change of the location. The Quickly can therefore be easily transported over stairs and rough terrain.

TECHNICAL HIGHLIGHTS
