Golden Age

A TIME FOR REFLECTION

The Golden Age is a time for reflection. A collection to greet a new dawn of modern glamour that whispers but never shouts. It’s a seductive synergy of opposites, an understated opulence envisioned by Bernie de Le Cuona.

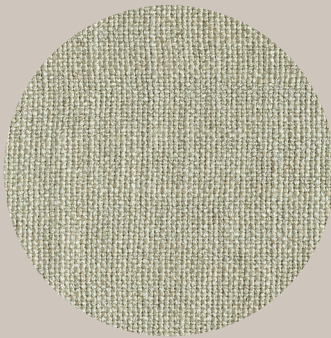

The collection embraces optimism, escapism and injects a touch of drama into interiors. It takes its cue from the spirit of Chanel where simplicity is the keynote of true elegance. Mix twenties exuberance with de Le Cuona’s signature artistry for a finely crafted edit of lustrous linens, dressy silks, superfine merino and wool bouclés.

The palette is luxurious. Expanses of nuanced naturals are balanced with rich accents. The shimmer of silver and glow of gold give light reflective qualities to textiles that have a special focus on surface.

Capturing the spirit of the most discerning gentleman, Smoking Jacket, featured in the bodice and skirt, is the ultimate symbol of sophistication and style. The small-scale silk jacquard appears to dance across the surface of the cloth, whilst the artisanal finishing process gives the fabric unique texture and volume. Mix with classic de Le Cuona's linens for a look of raw elegance.

OLD HOLLYWOOD

This cloth, featured here as a full cape, encapsulates the essence of old-school Hollywood glamour, inspired by the reflections of candlelight on crystal. The face has a soft, opulent lustre and the back is just as enchanting, with a subtle texture and crisp, parchment-like hand. Would work beautifully as unlined curtains or light upholstery.

BEARCAT

Named after the fiery, free-spirited flappers of the 1920s, Bearcat, shown on the sofa, is an eccentric take on a traditional wool bouclé. Jacquard woven in a combination of yarns, this speckled design exhibits de Le Cuona’s signature aesthetic: mixing the raw and unrefined with the elegant. Bearcat is fully reversible and will command attention in any room.
