NEW ACCESSORIES COLLECTION

Our new winter accessories are beautifully handcrafted in the finest cashmere, linen and wool in a distinctive natural palette from the Overland and Studio collections.

These accessories have been individually hand crafted in the UK by de Le Cuona tailors. Like the fabrics, each accessory carries a sense of luxury. Using robust boucle, the softest cashmere and heavier linens this edition explores texture and colour in a fresh way.

New cloths and techniques combine in these re-imagined classics in warm cosy neutrals that are sure to enhance and bring elegance into any interior. The nine cushions and three throws are available to buy online as well as in store.
