Gwenen Floor Light

A mesmerising fusion of craftsmanship and nature-inspired design, the Gwenen Lighting Range draws inspiration from the intricate layering found in the organic world, translated into a functional and exquisite wooden lighting centrepiece.

Meticulously crafted by hand, layered loops of sustainably sourced oak or walnut, weave together to produce this designer wooden floor light. Well suited for living spaces, cosy corners and bedrooms, the Gwenen Floor Light effortlessly becomes the focal point of any room. Even when switched off, its organic labyrinth of wooden curves creates an extraordinary spectacle to admire.

Enchant your home with organic opulence.
