72 g + AAA 48 g = 120 g

This product is protected by one or more of the following patents: US6249089B1, US6621225B2, US6650066B2, EP1120018B1, EP1206168B1. Other patents pending.

INSTRUCTIONS FOR USE

STORM LED HEADLAMP

Battery Life: Your battery life will vary depending on:

- Brand and freshness of batteries
- Length of time the headlamp has been off
- Temperature
- Settings used

***ANSI FL-1 Standard:** Runtime to 10% of initial output.

****Reserve:** Additional time the lamp will produce usable light for low intensity activities (measured to ~25 Lux @ 4 meters.)

IMPORTANT: Follow all instructions carefully and keep for future reference.

BATTERIES

- Use AAA alkaline, rechargeable Ni-MH or Lithium batteries
- Do not mix old and new batteries or different battery types
- Dispose of the device/batteries in accordance with applicable local laws and regulations

USE / MODES

(see accompanying illustrations)

STORAGE AND TRANSPORT

Remove batteries during storage and transport

(see accompanying illustrations)

CARE AND MAINTENANCE

(see accompanying illustrations)

TROUBLESHOOTING

If the headlamp does not work:

- Check that the batteries are oriented correctly and touching the contacts
- Replace the batteries
- Check the contacts and connections for corrosion and clean if necessary
- Work the switch several times

No luck? Contact your Black Diamond Dealer or BlackDiamondEquipment.com.

WARNINGS

- A responsible adult must supervise use by children under the age of 12
- Inspect your headlamp for proper operation prior to using and, for critical situations, carry a second light and sufficient spare batteries
- Do not stare directly into the beam or shine it directly into others' eyes. Intense light can damage your eyes or the eyes of those around you. Black Diamond Equipment is not responsible for the consequences, whether direct, indirect or accidental, or for any other type of damage arising or resulting from the use of its products.

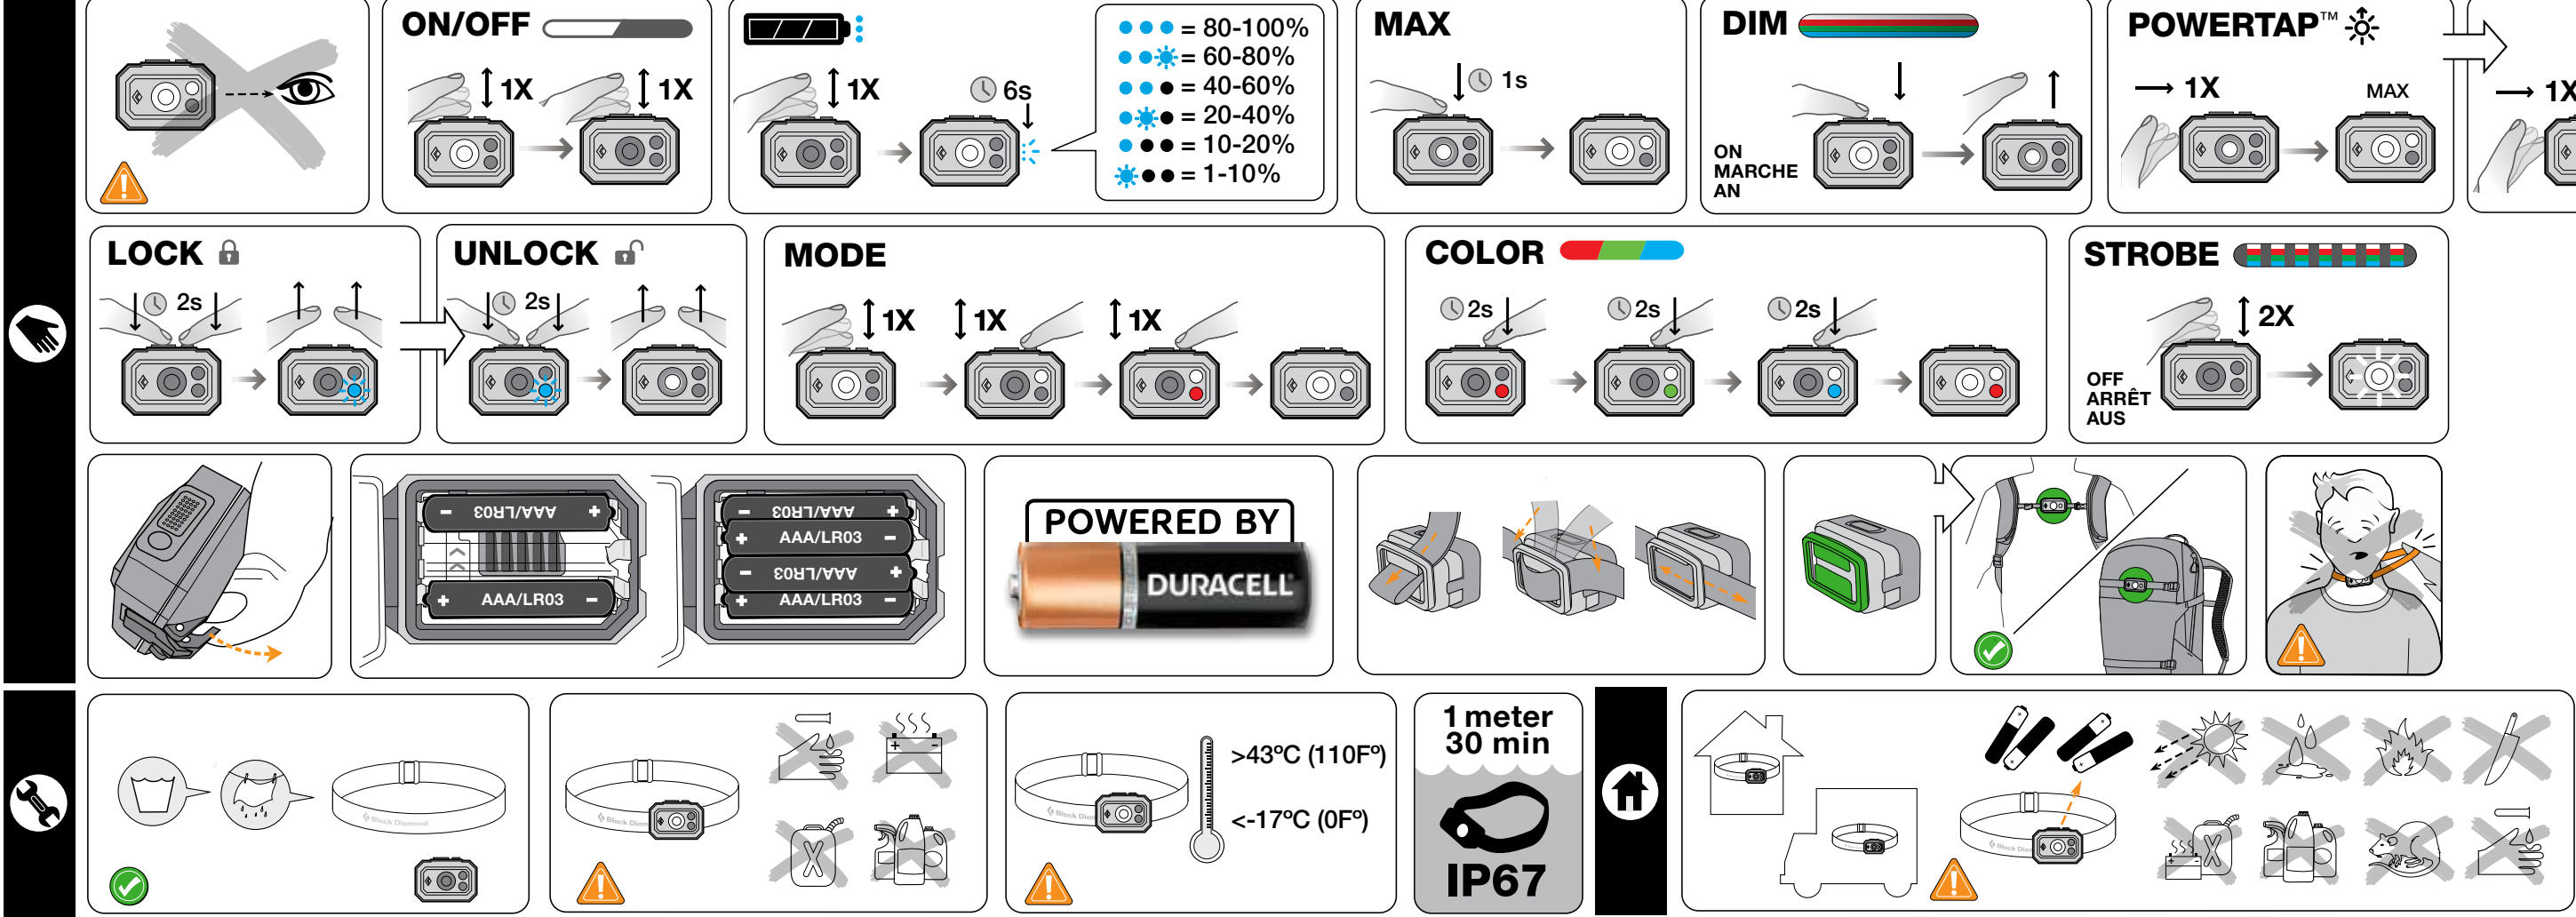

LIMITED WARRANTY

We warrant for three years from purchase date and only to the original retail buyer (Buyer) that our lighting products (Products) are free from defects in material and workmanship. We do not warrant Products against normal wear and tear, improper use, or improper maintenance. If Buyer discovers a covered defect, Buyer should return the Product to the place of purchase. In the event that this is not possible, return the Product to us at the address provided. The Product will be repaired or replaced at our discretion. That is the extent of our liability under this Warranty and, upon expiration of the applicable warranty period, all such liability shall terminate. We reserve the right to require proof of purchase for all warranty claims. This Warranty gives you specific rights, and you may also have other rights which vary from state to state. Except for expressly stated in this Warranty, we shall not be liable for direct, indirect, incidental, or other types of damages arising out of, or resulting from the use of Product. This Warranty is in lieu of all other warranties, express or implied, including, but not limited to, implied warranties of merchantability or fitness for a particular purpose (some states do not allow the exclusion or limitation of incidental or consequential damages or allow limitations on the duration of an implied warranty, so the above exclusions may not apply to you).

This Black Diamond product meets the requirements of the EMC (electromagnetic compatibility) Directive 2004/108/EC and the RoHS Directive 2011/65/EU.

Declaration of Conformity: The Declaration of Conformity for this product may be viewed at <http://blackdiamondequipment.com/DOC>

NOTE: This product has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This product generates, uses and can radiate radio frequency energy and, if not used in accordance with the instructions, may cause harmful interference to

radio communications. However, there is no guarantee that interference will not occur in a particular installation. If the product does cause harmful interference to radio, television, cell phone or avalanche beacon reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Increase the separation between the product and receiver.
- Turn the product off or to a different setting.
- Industry Canada ICES-005 Compliance Label: CAN ICES-005 (B)/NMB-005('B)

NOTICE D'UTILISATION

FRONTALE À LEDS STORM

Durée de vie : La durée de vie de vos piles dépend des facteurs suivants :

- La marque et l'état des piles.
- Le temps durant lequel la lampe reste éteinte.
- La température.
- Les réglages d'intensité utilisés.

***Norme ANSI FL-1 :** Temps de fonctionnement jusqu'à 10 % du rendement lumineux initial.

****Réserve :** Temps supplémentaire durant lequel la lampe émet une lumière utilisable lors d'activités nécessitant une faible intensité (mesurée jusqu'à 0,25 lux @ 4 mètres.)

IMPORTANT : Suivez attentivement l'ensemble des instructions et conservez la notice pour toute référence ultérieure.

PILES

• Utiliser des piles alcalines AAA, ou des piles Ni-MH ou Lithium rechargeables

- Ne pas mélanger différents types de piles ni des piles neuves avec des piles usagées
- Mettre le dispositif/les piles au rebut conformément à la législation locale en vigueur.

PRÉCAUTIONS D'UTILISATION ET ENTRETIEN

(Voir les illustrations jointes)

EN CAS DE DYSFONCTIONNEMENT

Si votre lampe frontale ne fonctionne pas :

- Vérifier si les piles sont correctement insérées et si elles touchent les contacts.
- Remplacer les piles.
- Repérer toute trace de corrosion sur les contacts et les connexions et nettoyer si besoin.
- Tester l'interrupteur à plusieurs reprises.

Rien n'y fait ? Contactez votre revendeur Black Diamond ou BlackDiamondEquipment.com.

AVERTISSEMENTS

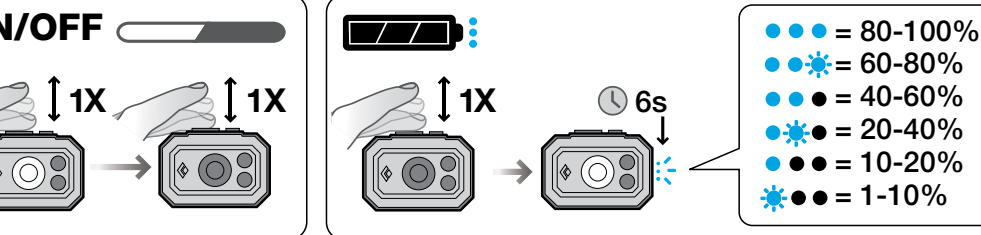

- Toute utilisation du présent produit par des enfants de moins de 12 ans doit s'effectuer sous la surveillance d'un adulte responsable.
- Toujours inspecter votre frontale avant utilisation pour vérifier son bon fonctionnement et penser à transporter une seconde lampe ainsi qu'un nombre suffisant de piles de rechange.

Ne pas regarder directement le faisceau lumineux ni les yeux d'autrui. Une forte intensité lumineuse peut provoquer des lésions oculaires. Black Diamond Equipment décline toute responsabilité quant aux conséquences directes, indirectes ou accidentelles, ou quant à tout autre type de dommage découlant ou résultant de l'utilisation de ses produits.

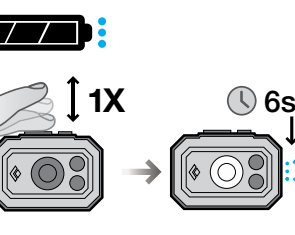

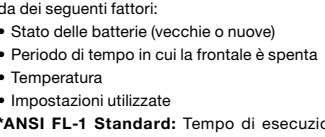

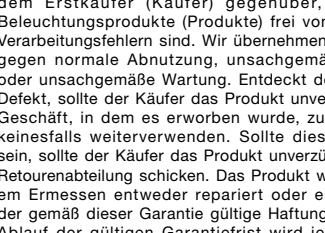

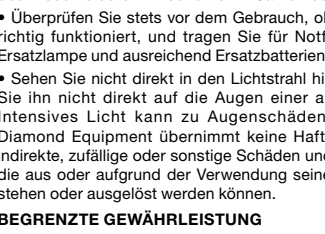

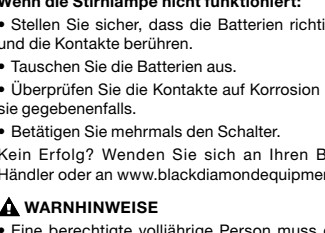

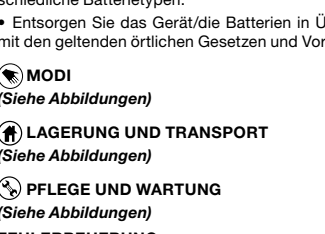

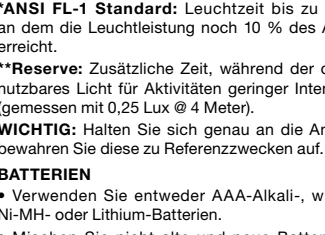

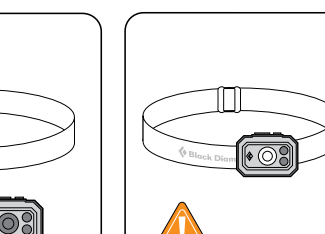

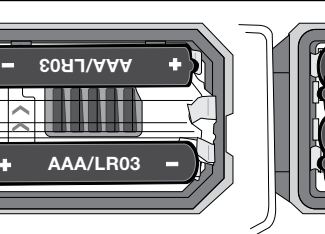

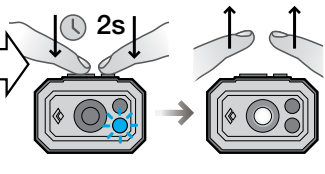

LIMITES DE GARANTIE

Nous garantissons pour une durée de trois ans à partir de la date d'achat et seulement à l'acheteur d'origine (Acheteur) que nos produits d'éclairage (Produits) sont exempts de défauts de matériel et de fabrication. Nous ne garantissons pas les produits contre l'usure normale, l'utilisation incorrecte ou l'entretien inapproprié. Dans le cas où l'acheteur découvrirait un défaut couvert par la garantie, l'acheteur devra renvoyer le Produit à l'adresse d'achat. Si cela n'est pas possible, renvoyez-nous le Produit à l'adresse indiquée. Le Produit sera réparé ou remplacé à notre discrétion. L'étendue de notre responsabilité est limitée à la présente Garantie et prend fin au terme de la période de garantie applicable. Nous nous réservons le droit d'exiger une preuve d'achat pour toutes les demandes d'application de la Garantie.

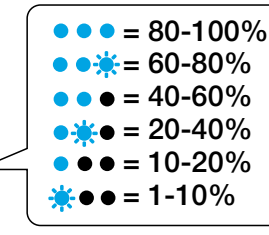

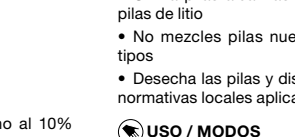

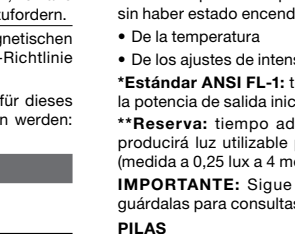

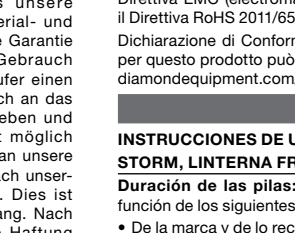

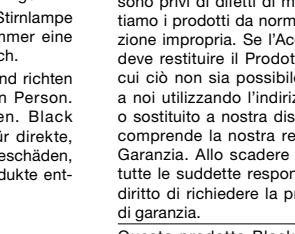

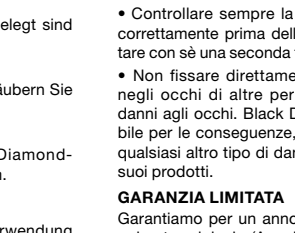

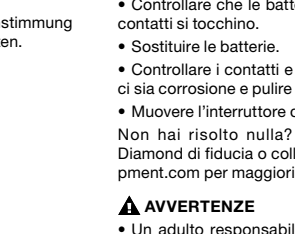

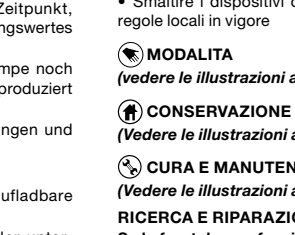

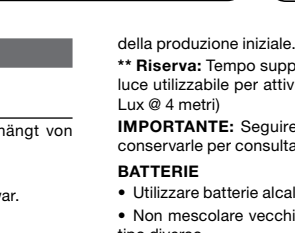

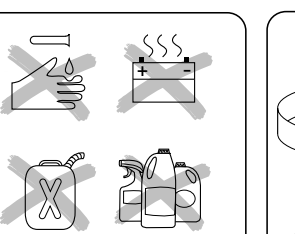

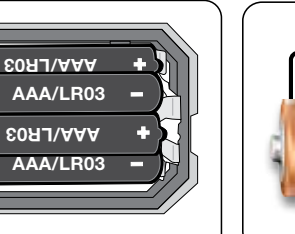

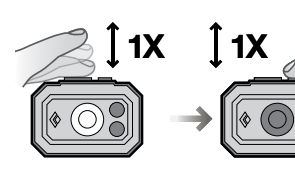

Cette produit Black Diamond répond aux exigences de la Directive CEM (compatibilité électromagnétique) 2004/108/EC et le Directive RoHS 2011/65/EU. Industrie Canada ICES-005 Etiquette de Conformité: CAN ICES-005 (B)/NMB-005('B) Déclaration De Conformité : La Déclaration de Conformité concernant le présent produit est consultable sur <http://blackdiamondequipment.com/DOC>

BRUKSANVISNING

STORM LED HODELYKT

Batterienes levetid: Batterienes levetid vil variere med disse faktorene:

- Merke og hvor nye batteriene er
- Restitusjonstid eller tid hvor lykten ikke har vært i bruk
- Temperatur
- Innstillingler

***ANSI FL-1 Standard:** Brukstid til det gjenstår 10 % av opprinnelig effekt.

****Reserve:** Ekstra tid der lampen vil lyse tilstrekkelig til å brukes til aktiviteter med lav intensitet (målt til 0,25 lux i en avstand av 4 meter). VIKTIG! Følg alle instruksjonene nøye og ta vare på bruksanvisningen for fremtidig referanse.

BATTERIER

- Bruk alkaliske, ladbare Ni-MH- eller litiumbatterier av typen AAA
- Ikke bland gamle og nye batterier eller forskjellige batterityper
- Enheten/batteriene må avhendes i samsvar med gjeldende lokale lover og regler

BRUK

(se medfølgende instruksjoner)

LAGRING OG TRANSPORT

(se medfølgende illustrasjoner)

STELL OG VEDLIKEHOLD

(se medfølgende illustrasjoner)

FELLSØKING

Hvis hodeklykten ikke virker:

- Sjekk at batteriene er satt i korrekt og at de berører kontaktene
 - Bytt batteriene
 - Sjekk kontaktene og tilkoblingene for korrosjon og rens hvis nødvendig
 - Trykk på bryteren mange ganger
- Fungerer den fortsatt ikke? Kontakt din Black Diamond-forhandler eller BlackDiamondEquipment.com.

ADVARSLER

En ansvarlig voksen må veilede barn under 12 år

- Sjekk alltid at hodeklykten fungerer riktig for bruk, og av sikkerhetsmessige årsaker, ha alltid med deg et reservelys samt nok ekstra batterier

Ikke se rett inn i lysstrålen eller pek den rett mot andre persons øyne. Kraftig lys kan føre til øyeskader. Black Diamond Equipment er ikke ansvarlig for konsekvenser – verken direkte, indirekte eller utilsiktede – eller noen form for skader som oppstår gjennom eller på grunn av bruken av deres produkter.

BEGRENSET GARANTI

Vi garanterer at belysningsproduktene våre er uten feil i utferiselse og materiale i tre år fra datoen da produktet ble kjøpt. Garantien er kun gyldig for den opprinnelige kjøperen og kan ikke overføres til andre. Vi garanterer ikke produktene mot normal slitasje, feilaktig bruk eller feilaktig vedlikehold. Hvis brukeren oppdager en defekt som er dekket av garantien, skal kjøperen levere produktet tilbake på kjøpsstedet. Hvis det ikke lar seg gjøre, kan produktet sendes til adressen som er oppgitt. Produktet vil bli reparert eller byttet etter vårt skjønn. Dette er den fulle utstrækningen av vårt ansvar under denne garantien. Ved garantiperiodens utløp opphører all ansvar. Vi forbeholder oss retten til å krevne at det legges frem kjøpsbevis i forbindelse med alle garantikrav.

Black Diamond-hodeklykten oppfyller kravene i EMC-direktiv 2004/108/EC (direktiv for elektromagnetisk kompatibilitet) og RoHS Directive 2011/65/EU.

Samsvarserklæring: Samsvarserklæringer for dette produktet finnes på <http://blackdiamondequipment.com/DOC>

BRUKSANVISNING

STORM LED-PANNLAMP

Batterilivslængde: Batterilivslængden beror på:

- Batteritilværelse samt hur nye batterier er
- Hur lång tid pannlampan har varit ansluten
- Temperatur
- Inställningarna som används

***ANSI FL-1 standard:** Körtid till 10% av den ursprungliga uteffekten.

****Reserv:** Återstående tid som lampen levererar användbart ljus för aktiviteter med låg intensitet (uppmått till 0,25 lux @ 4 meter)

VIKTIGT: Följ alla instruktioner noggrant och behåll dem för framtida referens.

BATTERIER

- Använd AAA alkaliska, återuppladdningsbara Ni-MH eller litium batterier
- Blanda äldre gamla och nya batterier eller olika typer av batterier
- Avfallshantera utrustningen/batterierna enligt rådande lokala lagar och förordningar

Geen succes? Neem dan contact op met uw Black Diamond-dealer of BlackDiamondEquipment.com.

ANVÄNDNING/LÅGEN

FÖRVARING OG TRANSPORT

(se tillhörande bilder)

SKÖTSEL OCH UNDERHÅLL

(se tillhörande bilder)

FELSKÖNING

Om pannlampan inte fungerar:

- Kontrollera att batterierna ligger med rätt polaritet och berör kontaktblocken
 - Byt ut batterierna
 - Kontrollera att kontakter och anslutningar inte är rostangripna och rengör om det behövs
 - Använd strömbrytaren uppreppade gånger
- Fungerar den ändå inte? Kontakta din Black Diamond-återförsäljare eller www.blackdiamondequipment.com.

ÅRSÄRNINGAR

- En ansvarig vuxen måste övervaka användningen när barn under 12 år använder pannlampan
- Kontrollera att pannlampan fungerar som den ska innan du använder den, och ta med en extra lampa och extra batterier vid utsatta situationer
- Stirra inte direkt in i strålen och lys inte direkt i någon persons ögon. Intensivt ljus kan försäkra ögonskada. Black Diamond Equipment är inte ansvarig för konsekvenserna, direkt, indirekt eller vid olycksfall, eller någon annan typ av skada som uppkommer eller resulterar från användningen av deras produkter.

BEGRÄNSAD GARANTI
