SALON CONSOLE TABLE

Product Sheet

SALON TABLE

PRESENTATION

Description

The Salon console table is a multi-purpose furniture piece, great for creating a small workspace for laptops and books, or a place for your personal belongings in an entrance hall under a mirror.

The console table can also be used as a serving table in the kitchen area or a small dressing table in the bedroom.

The table is made from solid oak wood and withstands everyday use.

The Salon console table's simple yet strong structure makes it suitable for commercial use. It is designed to take up minimal space, without compromising the functionality.
