DODONA

PRESENTATION

Description

The Dodona lounge and side tables were developed in collaboration with Danish designer and cabinetmaker Peter Seup, who made his debut as a commercial designer with this beautiful range of solid oak tables.

The table series is available in two standard editions, which compliment each other well. The smaller of the two is 51 cm high and has a diameter of 46 cm. The larger one is 46 cm high, with a 60 cm diameter.

The Dodona series is produced in Denmark.

DODONA

PRESENTATION

Description

The Dodona table is a simple, elegant, and flexible table, in a luxurious quality and with various possibilities. It functions as a coffee table - individually or as a set. It can serve as a side table by the sofa or as a bedside table to place your lamp or leave your books on, before going to sleep.

The Dodona table series is made from high-quality materials, and they will last for years, if you take care of them.

You will find all the treatment information you need in our care guide.
