

# NEIGHBORHOOD WINERY | 2021 RED WINE BLEND ‘WHERE IT’S AT’

## ABOUT OUR ‘WHERE IT’S AT’ RED WINE BLEND

Dropping the beat and mixing up an uncommon track for this one! ‘Where It’s At’ blends half Chenin Blanc from Jurassic Park Vineyard and half Lagrein, a rare native Italian grape, from French Cap Vineyard. The Chenin Blanc was fermented on its skins for 12 days before pressed off into stainless steel drums. The Lagrein grapes were destemmed and crushed into small open-top fermentation tanks where the juice fermented for three weeks before it was pressed off into neutral oak barrels.

The juice is fermented using only native, natural yeast alive in the air and on the grapes. Nothing is added throughout the wine's élevage, resulting in a wine that is rich and complex with strong primary fruit flavors and acid, and remains unfinned and unfiltered. Summer Sessions wines are created with warm weather, friendly hang-outs and beachtime in mind. Crack one open under the sun and serve chilled!

## WINEMAKER NOTES

Deep and vibrant purple color. A bit of fresh cut grass along with blueberries and rosemary aromas. Light and lively palate that gives fresh red fruits, dried herbs, cranberries and thyme.

## ABOUT NEIGHBORHOOD WINERY

**To introduce creative, playful natural wines.**

Neighborhood Winery specializes in interesting, zippy, fun cuvées—both daring and traditional—that push the boundaries of conventional wine flavor profiles. The brand focuses on natural winemaking practices, refraining from including any additives, chemicals, or applying conventional winemaking tools, and spotlights the fresh Central California-grown grapes. The grapes are intentionally harvested early in the season, producing youthful and lively wines with whimsical textures and a fresh essence. Neighborhood Winery’s rainbow of varietals and crafted blends are truly alive, intended for each bottle to uniquely evolve.
