Product Specification

Skipper Portable Table Light

Undulating loops of timber navigate over and around. Where pared back design meets our signature curves, the Skipper Lighting Range leads the charge.

Scandinavian design principles and our sought-after aesthetic, merged to create our most iconic design. A unique wooden table lamp that celebrates natural materials and handcrafted skill, the Skipper Table Light is created from twelve individual, sustainably sourced ash, oak or walnut wood petals and designed to produce golden light upwards and outwards, and eye-catching shadow effects in equal measure. Well suited for hallways, living spaces and home offices, the Skipper Table Light adds personality in abundance.

Achieve impact with a lighter touch. Embrace simplicity. Make a statement in your space.

| Product Type : Table Light | SKU | Wood types | Dimensions L x W x H (mm) | | Weight (kg) | |
