Christianshavn™ is a timeless, wool mix textile designed by Fritz Hansen. Its 26 contemporary colours offer an immense variety in both unicolour and melange weave. It has superior comfort due to the wool mix and with its high durability and a 200.000 rubs martindale, it is suitable for all upholstered products in the Fritz Hansen collection. The name; Christianshavn leads back to where it all started. The young enterprising cabinet-maker Fritz Hansen started his furniture production company in Christianshavn - a central part of Copenhagen. Christianshavn can be used in private interiors as well as public areas.
