

# HEE LOUNGE CHAIR

PRODUCT FACT SHEET

## HEE LOUNGE CHAIR

DESIGN BY HEE WELLING, 2005

With its wide, welcoming seat and low height, Hee Lounge Chair is definitely the most laid-back model in the Hee series. Although the elemental design is visible here in more relaxed proportions, it still retains the same light, understated aesthetics, and functional properties as the rest of the family. Stackable and weather-proof, the versatile Hee Lounge Chair is available in several colour options as well as a hot galvanised variant, making it suitable for numerous indoor and outdoor contexts in both public spaces and home environments.

### HIGHLIGHTS

- Part of a multifunctional family of chairs, lounge chairs and bar stools in a variability of colours.
- The Hee collection features a weatherproof outdoor powder coating and a hot dip galvanised finish.
- The lounge chairs can be linked together in rows for conference use.
- Stackable on floor up to 20 pcs.
- Suitable for a wide variety of private and public environments.

### DIMENSIONS

WIDTH 72 CM  
DEPTH 67 CM  
HEIGHT 67 CM  
SEAT HEIGHT 37 CM  
SEAT DEPTH 55 CM

### MATERIALS

## SEAT CUSHION

Adding extra comfort and functionality to the Hee Chair collection, the Hee Cushion comes in different sizes to fit the seat of the Hee Dining Chair, Hee Lounge Chair and the Hee Bar Stool. The thin, slightly padded cushion features anti-slip material on the bottom to keep it securely in place. Made in a resilient fabric with a water-repellent finish, the cushions are available in two colours and can be used all year round.

### DIMENSIONS

WIDTH 63 CM  
DEPTH 46 CM  
HEIGHT 3 CM

### MATERIALS

**OUTDOOR FABRIC**  
Solution dyed Olefin with a water repellent finish.

**FOAM**  
30 mm Polyurethane foam.

**BACKING**  
Black anti-slip recycled PET with biobased natural rubber coating.

### OPTIONS

CMHR foam (fire retardant).
